Subject: Microsoft Settlement

-----BEGIN PGP SIGNED MESSAGE-----

Hash: SHA1

I want you to know that to allow the settlement in its present form, is an egregious disservice to the public.

Microsoft has viciously shut down all of its relevent competitors, and will continue to do so until we have a disaster.

One company should not be allowed to control all of our computer software. I'm asking that you not approve this settlement for the sake of our futures.

Carl Cook
